THE CHANGING FACE OF CHOICE

Visual depictions of abortion are meaningful because abortion represents an evil so inexpressible that words fail us when we attempt to describe its horror. Abortion will continue to be trivialized as "the lesser of two evils," or perhaps even "a necessary evil," as long as it is allowed to remain an invisible abstraction.

Manteca Pregnancy Help Center exists through the gracious support of dedicated volunteers, prayer partners, and financial contributors. You can join our support team, too

If the unborn is growing, it must be alive.
 If it has human parents, it must be human.
 Living humans like you and I are valuable aren't they?

Prayer to End Abortion

Lord God, I thank you today for the gift of my life,
 And for the lives of all my brothers and sisters.
 I know there is nothing that destroys more life than abortion,
 Yet I rejoice that you have conquered death
 by the Resurrection of Your Son.
 I am ready to do my part in ending abortion.
 Today I commit myself
 Never to be silent,
 Never to be passive,
 Never to be forgetful of the unborn.
 I commit myself to be active in the pro-life movement,
 And never to stop defending life
 Until all my brothers and sisters are protected,
 And our nation once again becomes
 A nation with liberty and justice
 Not just for some, but for all,
 Through Christ our Lord. Amen!

God the Holy Spirit, Lord and Giver of Life,
Lord Jesus, the Beginning and the End,
Lord Jesus, the Way, the Truth, and the Life,

Lord Jesus, Eternal Word of Life,
Lord Jesus, living in the womb of the Virgin Mary,
Lord Jesus, Lover of the poor and weak,
Lord Jesus, Defender of the helpless,

For every sin against life,
For the sin of abortion,
For the daily killing of innocent babies,
For the bloodshed throughout our land,
For the silent screams of Your children,
For the killing of Your future disciples,
For the exploitation of women by abortion,
For the silence of Your people,
For the apathy of Your people,
For the co-operation of Your people in this tragedy,
For our pre-born brothers and sisters killed by abortion,

RESPONSE: Lord, hear our prayer.

For our pre-born brothers and sisters threatened by abortion,
For our brothers and sisters who have survived abortion,
For mothers who have had abortions,
For mothers tempted to have abortions,
For mothers pressured to have abortions,
For mothers who have refused to have abortions,
For the fathers of aborted babies,
For the families of aborted babies,
For the families of those tempted to have abortions
For abortionists,
For all who assist and cooperate in abortions,
For doctors and nurses, that they may nurture life,
For government leaders, that they may defend life,
For the clergy, that they may speak up for life,
For the pro-life movement,
For those who speak, write, and work to end abortion,
For those who help provide alternatives to abortion...
For those who promote adoption,
For national and local pro-life groups,
For unity in the pro-life movement,

For courage and perseverance in pro-life work,
For those who suffer ridicule and rejection for their stand for life,
For those imprisoned for defending life,
For those who have been injured and mistreated for defending life,
For legal professionals,
For courts and judges,

In thanksgiving for the babies saved from abortion,
In thanksgiving for the mothers saved and healed from abortion,

Our Ministry

Our ministry to a young family usually begins with a free pregnancy test. Clients come to the center feeling anxious, scared, or even betrayed. We offer them a safe place to explore their feelings one-on-one with a trained volunteer.

Their pregnancy test results are given during the visit. Even those with negative results often begin asking the tough questions about their relationships: Are her needs of love and intimacy being met or does she feel used and abandoned? We provide a listening ear as she sorts through the confusion. We also offer information about sexually transmitted disease. We encourage sexual integrity as a way to avoid the risks of disease, pregnancy, and heartbreak.

When a test is positive, a young woman faces those questions and more. We meet her in her uncertainty and provide both support and information. We educate her about pregnancy, and if she asks about abortion, we offer medically accurate information about the procedure and risks and aftermath.
